## VIP – RESERVED FAMILY EXPERIENCE AREA

We recognize having a guaranteed seating option is important for some families. A very limited number of reserved tables are available on the La Côte lawn, adjacent to La Côte, as well as on the upper level of the restaurant. This exclusive ticket provides a reserved seating area for your family, a private server and a complimentary gift basket. If your table is on the upper level of La Côte, this will serve as your “Home Base”, though you will also have access to the rest of the Family Experience area at the restaurant and the lawn.
