MIAMI BEACH

Meetings & Events Planning Guide

A Legacy of Modern Luxury

In 1954, on the vast beaches of Miami, a vision became an icon—a modern destination where movies were filmed and the greatest stars gathered, all to see and be seen. Conceived by architect Morris Lapidus, the resort embodied an “adult playground,” where architecture and design elements such as the famed “Stairway to Nowhere” transformed the space into a true spectacle.

A Destination That Has It All

Set along the most iconic stretch of Miami Beach, just 12 miles from Miami International Airport and 28 miles from Fort Lauderdale–Hollywood International Airport, Fontainebleau is a world-class oceanfront resort blending style, sophistication, and endless possibilities.

Guests can enjoy award-winning dining across 12 restaurants and lounges, the acclaimed Lapis Spa, legendary nightlife at LIV, and oceanfront pools with private cabanas, all complemented by contemporary luxury guestrooms.
